Subject: RE: Oregon 303d list approval

Hi Emily,
Jill Fullagar is the right person, she is our List Coordinator. What I can tell you is that both the Washington and Oregon List are currently under EPA's review and we are prioritizing Washington's List.
THanks

Subject: Oregon 303d list approval

Hi David,

I don't know if you are the right person for this, but I'm trying to find out some information re: EPA's evaluation of Oregon's 303d list. If you aren't the right person, could you point me in the right direction? And if you are, I'm curious where EPA is in the process . . . feel free to give me a call if that's easier – (510) 844-7109.

Thanks,
Emily
